

Dear Guest,

Help us make a difference by.....

Saving water – water is very valuable for our island because of climate change and not sufficient rainfall

- Make sure any water taps are completely turned off when not in use
- Do not let water run unnecessarily
- Take showers rather than baths
- Re-use your bath/pool towels and leave them on the floor only when they really need replacing
- Inform the reception immediately about toilet/bath leaks

Saving energy

- Close all windows and doors when the air condition is in use
- Turn off the lights and air condition when leaving the room
- Avoid leaving room devices on standby when not in use
- Avoid overcooling the room (26°C is an ideal room temperature)
- Unplug your personal device chargers when they are not being used
- Prefer natural light to artificial lighting
- Turn off electrical devices when they are not in use
- Inform the reception immediately about electrical malfunctions for prompt repairs

Reducing waste

- We will always supply you with additional room amenities upon request e.g. solid soap, room slippers, etc. but would appreciate your help in keeping this to a minimum

Recycling

- Please recycle waste (paper, plastic, glass, batteries) by placing them in the respective recycling bins available at various hotel locations

Napa Plaza hotel is committed in reducing the environmental impact of its operations, using sustainability for its every day operation implementing relevant legislation, and promoting an environmental culture.

Since 2015, our hotel has implemented Travelife's principles and practices in preserving the environment and improving local community relationships. This is an international sustainability certification scheme for hotels and accommodations. It is a standard that helps to improve how hotels manage their environmental and social impacts, such as reducing energy or water consumption, and ensuring to support local people, businesses and culture. In addition it covers issues like human rights, child protection and employee welfare.
